EFHL

Edmonton Federation Hockey League

Proposed Changes for Next Season

U11 Tier 1 game format will be 75-minute timeslots comprised of a 5-minute warm up and 3 sixteen-minute stop time periods.

U11 24-games for Tier 1 & 2, an *increase of 6*

Recommendation that for all Divisions/Tiers, for scheduling purposes and to reduce travel that on a best-case basis taking into account competition, **Tiers 1-2** will be scheduled on a league wide basis and **Tiers 3- 6** will be scheduled regionally.

For Regional Scheduling, the following priorities will be used when developing conferences within tiers for the tiering round:

- Associations with multiple teams will not play each other for tiering
- Regional Geography

For Regional Scheduling, the following priorities will be used when developing conferences within tiers for the regular season round:

- Competitiveness of teams
- Regional Geography

Development

SMHA has an extensive and comprehensive Development Program planned for the 2021-2022 Season

- **Our development program provides additional training to all teams over and above regular allocated practice ice.**
- **We have been improving and building on our program year over year.**
- **We provide unique off ice puck skill training via the Dangler Academy.**
- **We provide power skating training to coaches and players with a focus on younger age groups.**
- **We provide professional goaltending instruction throughout the season.**
- **We provide introduction to hitting camps for 2nd year U13 players.**
- **We provide a series of defence skill camps open to all players playing defence with a focus on U11 and U13.**
- **We provide a series of skill camps open to all players who play centre.**
- **We provide a series of Hockey Alberta run seminars for coaches on topics such as small area games and defence play.**
- **We host an evening with coaches and professional goaltender instructors to improve our SMHA coaches ability to develop goaltenders.**

UNLEASH YOUR
POTENTIAL

Did you know SMHA provides one of the most robust development programs in the province compared to other minor hockey associations? Better yet, it's all included in your registration fees with no additional cost to our members.
